The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington D.C. 20515

Dear Chairman Chair Cole and Ranking Member DeLauro,

I am requesting funding for the Safety Improvements along SW 238 Street Project in Fiscal Year 2027.

The entity to receive funding for this project Miami Dade County located at 111 NW 1<sup>st</sup> Street, Miami, FL 33128.

The funding would be used to stabilize the severely eroded canal banks along SW 328 Street. This is a valuable use of taxpayer funds because canal stabilization and guardrail upgrades will safeguard water quality and flood control, but also strengthen roadway safety for daily commuters and first responders.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman Carlos A. Gimenez  
Florida's 28th Congressional District
